

**Annams**

Consulting

## Purchasing Peace of Mind

*Let Annams do the work.*

Annams Consulting will provide all Oracle customers with a "peace of mind" with their purchasing process by providing a senior Annams Consultant to be on site during installation and available for knowledge share and training with your company's super users for the first 5 days following delivery of your product. On the 5th day Annams Consulting will provide a Solutions Specialist who will meet with your IT director to ensure the success of the engagement, analyze your company's business direction and provide recommendations on your company's business strategy.

## Purchasing Peace of Mind Services
