

The logo consists of the word "Annams" in a bold, green, sans-serif font, with a registered trademark symbol. Below it, the word "Consulting" is written in a smaller, black, sans-serif font. The text is contained within a white rectangular box with a thin black border.

Consulting

RapidExec Implementations

Building upon Annams Systems Corporation's significant experience implementing enterprise applications, we offer RapidExec Solution offerings for Oracle's e-business suite. We provide unique services to our RapidExec implementations including software, consulting, quality assurance, training and support to extend the ease of use and functionality of the Oracle Applications. Our drop-in solution increases efficiencies by offering a fixed-scope model to be implemented in a set timeframe at a set price. Our templates and fixed-scope approach reduces the complexity and cost of traditional, large-scale implementations and bring them within the reach of medium-size enterprises.

RapidExec E-business Suite Implementation Services:

- **Marketing Online** - Rapid Executive for Marketing Online a comprehensive, feature-rich implementation service is designed to deliver a complete marketing automation system that allows your company to increase effectiveness of marketing campaigns. This offering also provides the ability to evaluate campaign effectiveness, support sophisticated list management, and automate complete and accurate campaign budget management. By using Annams' Rapid Executive approach of focusing on enabling a core set of features, this offering is designed to deliver an operational system in 30 business days or less.
- **Click to Order** - Rapid Executive for Click to Order offering enables firms to create a streamlined, end-to-end, cross channel online buying experience for new and existing customers. Annams' implementation service is designed to dramatically reduce the complexity, time, and cost associated with software implementations - while delivering the global functionality and availability you need.
- **Call to Order** - Rapid Executive for Call to Order implementation service includes all the activities needed to automate a telesales organization including both simple and complex sales cycles. The Call to Order implementation service is designed to dramatically reduce the complexity, time, and cost associated with software implementations - while delivering the global functionality and availability you need.
