RapidExec Self Service Human Resources

RapidExec Self Service HR, a comprehensive, feature-rich implementation service, is a powerful tool for optimizing the use of the human assets of your company. Leveraging the power of the Oracle Self-Service Human Resources application, this offering allows line managers and employees to update and use people information through interfaces personalized to their roles, on-line experience, work content, language, and information needs. They use a self-service interface, designed for the needs of the casual or untrained user, with simple, intuitive navigation and graphics, and on-line help for each field. What's more, by using the RapidExec approach focusing on enabling a core set of features, this offering is designed to deliver an operational system in 60 business days or less.

RapidExec Self Service Human Resources Services

Annams Consulting will install the Self-Service Human Resources predetermined components of the Oracle E-Business Suite, and will guide your company through the implementation process all the way through business system testing.
