Consulting

Products

Annams is a Preferred Value Added Reseller of Oracle® Products.

Oracle9i Database

Oracle9i Database is the latest generation of the world's most popular RDBMS. Annams is proud to offer the Standard and Enterprise Editions of Oracle9i Database and also provide several additional optional Oracle database products.

Oracle9i Real Application Clusters

Oracle9i RAC offers major enhancements in the areas of scalability, availability and manageability.

Oracle9i Application Server

Oracle9iAS is the industry's most comprehensive and integrated application server offering. Oracle9iAS delivers all of the technology you need to run a competitive e-Business

Oracle9iAS Portal

Oracle9iAS Portal is a key component of Oracle9i and leverages the security, reliability, and scalability of Oracle9i Application Server and the Oracle Database. Together, Oracle's easy-to-use portal software and comprehensive suite of products can transform any company into an e-business.

Internet Developer Suite

iDS combines the power of Oracle Application Development tools, Oracle Business Intelligence tools, and award-winning developers kits in one product.
